TECHNICAL INFORMATION

DESIGNER: Natuzzi Style Center

A collection of tables which create an elegant, light-weight effect. The original metal structure embraces the glass top, combining different materials. The transparency and lightness of the glass is interspersed by details in wood which make this design unique.

PRODUCT DETAILS

Weight-bearing structure in shaped metal rods (15 mm thick), polished and painted in various finishes

Top in extra light, transparent tempered glass (10 mm thick), partially veneered with various types of wood.

The tables are fitted with hidden non-slip and non-scratch feet
